LCP ACHIEVES MAJOR ACCOMPLISHMENTS AT THE HEART OF TEXAS NATIONALS

12th Edition

Team places 7 in Open

LCP went into their regions home National Tournament this last Two Saturdays several weeks ago and captured one Open Championship while placing six others.

Caden Leggett followed up his Novice State Championship with capturing the Open Championship at the D3 90 Pound Division. Leggett's victory was not captured in any photos.

Kyle Tibbetts had an amazing run en route to a third

place finish which included beating the previous weeks Houston Nationals Champion.

The highlight however was when Tibbetts avenged a triple Overtime loss from earlier in the season in San Antonio. Tibbetts with the same coach from San Antonio in his corner, caught his opponent in a mid-gramby roll to collect a pin in the second period.

John Geiger continued his solid season by capturing 2nd place.

Gabe Lensing collects a near fall at the Heart of Texas Nationals

REED AND GEIGER PUT UP WITH SLACKER KIDS THROUGH 5 NATIONAL TOURNAMENTS

Patrick Reed and Brent Geiger survived trips to Lubbock, El Paso, Dallas, Houston, and Austin Proper to complete Iron Man Challenge.

Reed and Geiger endured two bus trips and other indecencies that no man should have to put up with to attend all five Texas National Tournaments. For this monumental accomplishment the two men will receive,...

nothing. Nothing except mention in the newsletter that is already several weeks late.

Oh, John Geiger, Lance Reed, and Kyle Tibbetts also completed the Iron Man and will receive a hoodie and a wrestling bag.

Patrick and Brent both agree that this is jacked up.

LCP Iron Men

Incredibly handsome men pose with sullen/ingrate sons and nephew.

Also placing were Thomas Tolbert and Gage Leggett in the D3 85 pound weight class.

Will Spencer captured 3rd place but as it was so long ago, the editorial staff isn't quite sure if he:

- a) Got a bloody nose
- b) Hurt his ribs
- c) Avenged a rib injury

Up next is Regionals as we get ready for Open and Rookie State!

Heart of Texas Open Placers:

3rd Place Landry Leggett
3rd Place Kyle Tibbetts
2nd Place John Geiger
4th Place Thomas Tolbert
6th Place Gage Leggett
1st Place Caden Leggett
3rd Place William Spencer

Okay, sooo Caden won the Heart of Texas Open, we don't have any good pictures, but everyone there agreed it looked something like this artist representation. Great job Caden

ROOKIES SHINE AT HEART OF TEXAS

Hood captures first place as LCP places five

Jack Hood continued his domination of the Rookie Heavyweight Division as he captured 1st place at the Heart of Texas Rookie tournament.

Also at the tournament, the McLaughlin and McLaren clans called a temporary truce to their feud with Jack placing 3rd at the 60lbs class and Bryce capturing 2nd at 65lbs. All

Bryce McLaren's dad tries to take credit for his son's second place finish at the Heart of Texas Rookie Tournament. McLaren plans to paint the trophy gold and put it on the hood of his car.

parties agree that,"This ain't over!!!"

Making a great showing in the D4 90lbs class for LCP was Collins McLaughlin taking 2nd and Zachary Wolfe collecting 3rd. I sense a feud might be brewing. Wow, big surprise McLaughlins stirring stuff up. Who would have thought.

Coming up next is the Rookie Tune-Up.
