Been wanting these type of pictures all year. Thank you Leggetts

## LEGGETT BROTHERS CAPTURE FIRST PLACE AT REGIONALS 13th Edition

Team gears up for Open and Rookie State

Landry, Gage, and Caden Leggett each captured first place at the Central Region Qualifier several weeks ago. Landry took first in the Tot 56 Lbs Division while Gage and Caden won the D3 85 and 90 Lbs divisions respectively.

As he could find no loophole in the rules that would allow him to wrestle in Iowa or Oklahoma and still be able to wrestle in Open State, John Geiger decided to stay local and collected first place in the D3 65 Lbs Division.

With no solid opportunity to pick up free stuff over the weekend, Harper Geracci also decided to grace the Central Region with his presence. Driving to the finish of his final year with the club, Harper took first place in the D4 Heavyweight Division.

Having a breakthrough showing in the D3 85 Lbs weight class was Joseph Molina who placed 2nd behind Gage.

Other placers included:

John Geiger battles Ryan Tibbetts down to the ground.

**THANK YOU TO OUR VOLUNTEER  
AND SET UP CREW. GREAT  
SEASON GUYS**

Just a quick note to the thank the LCP Parents who helped all year setting up the night before and helped work tables the day of tournaments. Without your help these events would not be possible.

**Tabellers**

Tibbetts, Leggett, and Reed spend another day scoring, coralling and bracketing.

**Tolbert and Spencer look busy**  
Meanwhile Patrick Reed is hurriedly taping down mats out of the camera range.

**ROOKIES EXCEL AT  
TUNE UP**

**McLaughlin and Miller gets first place**

Among the highlights of the Central Region Tune Up was Caleb Miller and Jack McLaughlin bringing home first place for LCP.

This was the last tournament in the Central Region before Rookie State and served as a great opportunity for the rookies to get battle tested.

Another great accomplishment for the LCP was that 6 of the 7 wrestlers got 2nd place or higher. Making the podium for the team were:

1st Place Caleb Miller  
1st Place Jack McLaughlin  
2nd Place Bryce McLaren  
2nd Place ZachARY Miller  
2nd Place Jack Hood  
2nd Place Collins McLaughlin

**Rookie/Novices gather around Harper Geracci looking for the opportunity to take down the "Great White Buffalo." Attempts were unsuccessful.**

**Above: Want to see the trick to getting a pin? Look at Jack right here. You'll notice his butt is off the Mat and all of his weight is on his opponent. Just that simple.**
